Portal MFA Enforcement

To enhance security, Microsoft requires Multifactor Authentication (MFA) when signing into the Azure portal, Microsoft Entra admin center, and Microsoft Intune admin center. You will now be redirected to complete the MFA sign-in process.

For more details about MFA enforcement, visit: https://aka.ms/mfaforazure

If you are not ready to satisfy MFA requirements, you can reach out to your tenant administrator to postpone enforcement for the rmuti.ac.th (733e2ce0-ce28-4dfa-8af6-ad57b37090ce) tenant.
